

Welcome to Bethel! We're glad you're here!

MARY, MOTHER OF OUR LORD SUNDAY • AUGUST 15, 2021

All Are Welcome!

Your presence is important to us – we are not complete without you.

We mean it when we say “all are welcome” – no matter where you are on your faith journey.

We firmly believe that there is no age limit in GOD’s house. Young or old, you are an essential part of our worship community. We encourage families with young children to sit near the front of the sanctuary so children can see what is happening. Parents and other neighboring adults can help developing readers follow along with the congregation and the printed Order of Worship. Be patient with our children as they learn to participate in the rituals of worship.

Indoor Worship Guidelines

Fully vaccinated folks can choose to worship without a mask, however, because of the Delta variant, we are encouraging all participants to mask at this time. If you are unvaccinated, we ask that you continue to use a mask -- and really encourage you to receive a vaccine if you are eligible. Many of us, even if fully vaccinated, will continue wearing masks inside during worship in order to help protect our children and other vulnerable people. Expect a few adaptations to our regular worship routine.

Be flexible & follow any directions given.

For those not ready or able to join us in person, we will continue to live-stream our gathering via Zoom so they can be “with” us.
