

Welcome to Bethel! We're glad you're here!

BAPTISM OF JESUS • JANUARY 15, 2023

All Are Welcome!

Your presence is important to us – we are not complete without you. We mean it when we say “all are welcome” – no matter where you are on your faith journey or how you identify.

We firmly believe that there is no age limit in GOD’s house. Young or old, you are an essential part of our worship community.

Families with young children are encouraged to sit near the front of the sanctuary so children can see what is happening. Parents and other near-by adults can help developing readers follow along with the congregation and the printed Order of Worship. Be patient with our children as they learn to participate in the rituals of worship. Celebrate as they learn to help with various aspects of worship leadership. Small gestures can go a long way.

Prayer Requests

Paper is available on the table as you enter the sanctuary for you to write prayer requests on. Return the paper to an usher no later than during the Hymn of the Day. The reader will read all of the prayer requests for the day during the Prayers of the People. It is our hope that this will help all those in worship hear the prayer requests.

A Message from Karen Edwards at St. John's Program for Real Change

"Thank you so much for all of your efforts putting together gifts for our children to wrap and give to their moms for Christmas! Once again, it was a great experience for our kids and our staff was so impressed with all that you brought and your organization. We so appreciate all that Bethel Lutheran has provided over the years and all the encouragement and support we have from your congregation.

Please pass on our gratitude and I look forward to seeing you again soon!"

January Song of the Month

Jesus, the Light of the World

Publisher George D. Elderkin was part of the great flowering of church music in the evangelistic movements of the late nineteenth and early twentieth centuries.

In this beloved gospel hymn he brought together two strands of text—Charles Wesley's beloved Christmas hymn and a refrain adapted from Fanny Crosby—with a "gospel waltz" melody that became popular in revivals and Sunday schools.

The images of light in this hymn are appropriate to Epiphany and any time we need reminding of our baptismal charge to walk, roll, or move in the light of Christ for the life of the world.
