

Welcome to Bethel! We're glad you're here!

6TH SUNDAY AFTER PENTECOST • JULY 10, 2022

All Are Welcome!

Your presence is important to us – we are not complete without you. We mean it when we say “all are welcome” – no matter where you are on your faith journey or how you identify.

We firmly believe that there is no age limit in GOD's house. Young or old, you are an essential part of our worship community.

We encourage families with young children to sit near the front of the sanctuary so children can see what is happening. Parents and other neighboring adults can help developing readers follow along with the congregation and the printed Order of Worship. Be patient with our children as they learn to participate in the rituals of worship. Celebrate as they learn to help with various aspects of worship leadership. An encouraging smile can go a long way to helping parents feel comfortable as their kids learn.

Prayer Requests

Paper is available as you enter the sanctuary for you to write prayer requests on.

Return to an usher no later than during the Hymn of the Day. Ushers will the papers get to the day's reader who will incorporate your request into the Prayers of Intercession. Those worshipping via Zoom, please type your request into the chat box and it will be passed along to the reader, too.

The reader will read all of the prayer requests for the day from the microphone.

COVID-19 Info

Masks during worship are optional but encouraged while the area's positivity rate remains high. We ask that anyone helping with communion (or any close contact worship role) wear a mask.

We continue to stream our gatherings via Zoom as a worship option for those who need it.

We know that living with the uncertainty of the past few years has brought a lot of anxiety. Please reach out to Pastor Carolyn or other friends if you need support – and continue to check on friends who may be missing from our worship gatherings.

TODAY is our day to serve lunch to the clients of the local St. Vincent de Paul's Soup Kitchen. Check with Scott Larson to see if you can lend a hand with this long-standing Bethel tradition in the local community.

Bread for the World's Racial Wealth Gap Simulation

Sunday, July 24th

Special Worship Guest, David Gist, Senior Organizer, Bread for the World, a collective Christian voice urging elected officials to end hunger and poverty at home and abroad. Bread for the World believes it is important to address the root causes of hunger and poverty, including racial inequality.

Following Worship, join David for "Letters & Lunch" – a time for a little food, fellowship, learning, and advocacy.

The Simulation itself is from 1:00-3:00pm to give guests from other congregations time to join us. Participants in the simulation "game" will gain a better understanding of the racial wealth, income, and hunger gap, so that they can be advocates for change and justice.

Please RSVP to Lisa Herlocker if you plan to participate in any or all activities by July 20th

September 11 is God's Work Our Hands Sunday, an intentional day for ELCA Congregations to serve in their communities. This year, we have chosen to support "Rise Against Hunger", by hosting a meal packaging event!

Part of the fun of God's Work Our Hands Sunday is seeing congregations working together in matching custom t-shirts. If you would like to order a shirt for yourself or a family member to wear on September 11th or to other events, check out the details on the following page and then contact Lisa Herlocker with your specific details by August 7th. We need at least 10 orders to get Bethel's name on the back of the shirts.
