From Pastor Ron:

Don't forget to continue using the Wellness Wheel that was emailed to you last week. This is a great tool for helping you focus on total well-being: body, mind, and spirit. Just pick a category to start with and label the center of the wheel as "zero" and the outside rim as "ten." Mark your present state of wellness in that area with a number. Do that for all the categories. Then starting with the area with the lowest number, create reasonable, measurable goals to help you improve your number – and wellness. Choose reasonable goals that you can complete in a specific amount of time. Share your goals with a trusted friend – for encouragement and eventual celebration. Follow your plan until you have completed the circle. As you do, you'll feel good about yourself and become more of whom God wants you to be in this world. Undoing old habits and creating new ones takes time and hard work. Give yourself grace as you move into a life of wellness.

All Saints' Day

Today we honor the memory of Bethel's dearly departed saints, Mary Healy and Lynne Ludwig-Selke, as well as, all of our beloved friends and family who have gone ahead of us to Heaven this year.

We also look forward to the promise of new life embodied in the births this year of Ronin Villanueva and Bennett Linn-Gish.

Adult Forum TODAY

Join Pastor Ron today after "coffee hour" for a conversation about **Transitions**.

Major life transitions include: death of a loved one, moving from one place to another, changing jobs, loss of a job, retirement – and living through a global pandemic. These changes upend our lives. Forces us to confront new things about ourselves and our world. Together we will explore ways to be as well and whole as possible.

Thank You to all who have volunteered to help lead worship each week
