

Welcome to Bethel! We're glad you're here!

ALL SAINTS SUNDAY • NOVEMBER 6, 2022

All Are Welcome!

Your presence is important to us – we are not complete without you. We mean it when we say “all are welcome” – no matter where you are on your faith journey or how you identify.

We firmly believe that there is no age limit in GOD’s house. Young or old, you are an essential part of our worship community.

Families with young children are encouraged to sit near the front of the sanctuary so children can see what is happening. Parents and other near-by adults can help developing readers follow along with the congregation and the printed Order of Worship. Be patient with our children as they learn to participate in the rituals of worship. Celebrate as they learn to help with various aspects of worship leadership. Small gestures can go a long way.

Special Guest

Today we welcome Karen Edwards from St. John’s Program for Real Change. Bethel has a long history of supporting their program for local women and children in need. Karen will give an update on their activities immediately following worship in the sanctuary.

“Noisy Offering!”

Encouraging the participation of our youngest members in worship is important to us. When they help collect the offering each week, they are disappointed or confused when folks don’t drop something in the basket.

The Worship & Music Team is asking that you drop a little spare change into the basket when it comes your way. This spare change will be kept in the safe and counted after a few months. When the total amount has grown enough, this “noisy offering” will be donated to a local charity to be decided on soon. Your suggestions are welcome.

Prayer Requests

Paper is available on the table as you enter the sanctuary for you to write prayer requests on.

Return the paper to an usher no later than during the Hymn of the Day. Ushers will get the requests to the day’s reader who will incorporate your individual prayers into the Prayers of Intercession.

Those worshipping via Zoom, can type requests into the chat box to be passed along to the reader. The reader will read all of the prayer requests for the day from the microphone. It is our hope that this will help all those in worship hear the prayer requests.

Friendly Reminder

We share our playground space with our Montessori School tenants and are committed to leaving the space ready for school on Monday.

Bethel's kids are welcome to play on the equipment & toys, but everything should be put back the way it was found before families go home. To help with this, we ask that parents supervise their children's playground time. Thank You! ☺

Song of the Month

For November, our song is *Build a Longer Table*. "If you have more than you need," says a popular proverb, "it's better to build a longer table than a taller fence."

In this proverb, hymnwriter David Bjorlin heard a resonance with the obstacles that refugees often meet when seeking safety far from their countries of origin. Bjorlin's text uses the love of Christ as its model in calling us to respond to refugees with long tables, wide doorways, and safe refuges rather than with violence and exclusion. The tune is likely known with its pairing, "Now the green blade rises" (ELW 379).
