

Welcome to Bethel! We're glad you're here!

19TH SUNDAY AFTER PENTECOST • OCTOBER 16, 2022

All Are Welcome!

Your presence is important to us – we are not complete without you. We mean it when we say “all are welcome” – no matter where you are on your faith journey or how you identify.

We firmly believe that there is no age limit in GOD’S house. Young or old, you are an essential part of our worship community.

Families with young children are encouraged to sit near the front of the sanctuary so children can see what is happening. Parents and other near-by adults can help developing readers follow along with the congregation and the printed Order of Worship. Be patient with our children as they learn to participate in the rituals of worship. Celebrate as they learn to help with various aspects of worship leadership. Small gestures can go a long way.

Prayer Requests

Paper is available on the table as you enter the sanctuary for you to write prayer requests on.

Return the paper to an usher no later than during the Hymn of the Day. Ushers will get the requests to the day’s reader who will incorporate your individual prayers into the Prayers of Intercession.

Those worshipping via Zoom, can type requests into the chat box and it will be passed along to the reader.

The reader will read all of the prayer requests for the day from the microphone. It is our hope that this will help all those in worship hear the prayer requests.

Upcoming Scripture Readings

Next Sunday, October 23rd –
the 20th Sunday after Pentecost

- Jeremiah 14:7-10, 19-22
- Psalm 84:1-7
- 2 Timothy 4:6-8, 16-18

“Noisy Offering!”

Encouraging the participation of our youngest members in worship is important to us. When they help collect the offering each week, they are disappointed or confused when folks don’t drop something in the basket.

The Worship & Music Team is asking that you drop a little spare change into the basket when it comes your way. This spare change will be kept in the safe and counted after a few months. When the total amount has grown enough, this “noisy offering” will be donated to a local charity to be decided on soon. Your suggestions are welcome.

Following worship & snacks, the Adult Study of the Book of Esther continues with Pastor Carolyn in Lentz Hall. All are welcome to join in the conversation whether or not you’ve attended in the past.

No Kids’ Sunday School today due to the travels of both “Lisa-s” We will meet again next week with all ages together in the Youth Room.

Song of the Month

For October, our song is *By Grace We Have Been Saved*. This month the hymn writers have direct connections to Bethel! Both composers have spent quality time with the people of Bethel in the past, here in Roseville, at various youth ministry events, and even in Wittenberg, Germany!

Jonathan Rundman set out to write a folk/rock song for his 2006 album, *A Heartland Liturgy*, based on Ephesians 2:8-9 but ran into trouble finding an original melody for the chorus after subconsciously borrowing another song's tune. He emailed the words to Nate Houge, who was working at Shepherd of the Valley Lutheran Church in Apple Valley, Minnesota. Nate wrote the melody for the chorus on the spot. The stanzas are a pastoral reminder that God has claimed us and is present with us.

Friendly Reminder

We share our playground space with our Montessori School tenants and are committed to leaving the space ready for school on Monday.

Bethel's kids are welcome to play on the equipment & toys, but everything should be put back the way it was found before families go home. To help with this, we ask that parents supervise their children's playground time. Thank You! 😊

"Science and religion come from the same source, and we believe that that source is God. ... If you have not yet gotten the vaccine, don't consider it a test of faith. Go, get vaccinated." -Presiding Bishop Elizabeth Eaton

Here at Bethel we encourage you to get vaccinated against COVID-19 and influenza as an act of love for your neighbor.

Wearing a mask at worship or joining us via Zoom are encouraged for those who wish to use those protective measures as we move into "Cold & Flu Season"

Please continue to reach out to friends missing from our pews. If you find yourself feeling increased anxiety during these odd times, please reach out to Pastor Carolyn or a friend for support.
